BOARDTALK

A Pickaway County Board of Developmental Disabilities Newsletter

Welcome Michelle Gifford...

As we enter 2025, PCBDD is excited to announce its newest Board Member, Michelle Gifford.

Michelle is a long-time recipient of County Board services and is the first Board-eligible person to serve as a Board Member. Michelle brings an entire lifetime of first-hand experience that will inform the decisions she makes on behalf of her peers.

Michelle may be the first person receiving services to serve as a Board member, but she will not be the last. She is fulfilling a new requirement for County Boards to have at least one person who is eligible for services to serve as a voting Board member. This is an important step toward ensuring that people with disabilities are including in every aspect of decision-making...starting with organizations that specifically make decisions for those with disabilities.

In addition to serving in this historic way, Michelle brings years of leadership and advocacy experience to her Board efforts. Michelle is a Project STIR (Steps Toward Independence and Responsibility) Graduate, a leader in county transportation-related advocacy, a member of the Board's Human Rights Committee, and a winner of a Synergy Advocacy Award.

We welcome Michelle to this new role and look forward to many years of her guidance!

ICAN SWM CAMP 2024

The iCan Shine Swim Camp returned this year, and slots were once again completely filled for this very special opportunity. 30 participants spent the week learning the basics of swimming and water safety. A BIG THANK YOU to our sponsors: Pickaway County Special Olympics, Pickaway County Banking Center, Circleville Eagles, Kingston National Bank and Forjak Industrial! We also want to give a huge shout-out to our swim coaches and volunteers who hopped in the pool to teach students. Our iCan Swim instructors, Ivy and Zuri, were top notch! Thank you also, to the YMCA staff for your support throughout this very successful week!

SPECIAL OLYMPICS UPDATES

Our Pickaway County Special Olympics teams are as busy as ever! This past year has been filled with numerous regional and state tournaments in track & field, softball, basketball, golf and power lifting! Our largest fundraiser of the year is our Golf Scramble (held every September) and this year we brought in \$7,000. The money raised and donated are used towards tournament fees, travel & lodging, equipment and uniforms.
